I, Crystal L. Cox, in my Pro Se Capacity state the following:

Marc Randazza threatened that he would ruin me if I made an enemy of him. Marc Randazza's friends have threatened my knee caps, publicly humiliated and defamed me. Marc Randazza accused me of a crime in big media in which I was never charged with through proper legal channels. Marc Randazza has threatened women in the Porn Industry who have given me tips and he has given their home address and car identification information in public forums.

Marc Randazza has himself cohearsed me to STOP my appeal to the Ninth Circuit in Obsidian V. Cox and Marc Randazza has had his friends, attorney bloggers, and big media intimidate me in order to pressure me to stop my appeal process. Marc Randazza told me in our first consult where he was to be my attorney, that those in the tip of the Porn Industry contacted him and said what are you going to do about Crystal Cox, I have 2 witnesses to this phone call.

Marc Randazza offered to be my attorney in my Obsidian V. Cox appeal and then used privileged information to conspire with the Plaintiff in that Case. Marc Randazza continues to harass me, have his friends threaten me, use big media to intimidate me and I am in fear of my life and quality of life of Marc Randazza and

all attorneys of Randazza Legal Group.

Marc Randazza also has known Mafia ties which I will address in this legal action, as we move forward. Marc Randazza has abused his power as an attorney and I am in fear of his connections.

That being said, I will not confer in any private meetings or private phone calls with an attorney from Randazza Legal Group. All communications with Plaintiff / Counter Defendant are requested to be through this court, as a hearing where by Defendant has some sense of legal and physical protection.

I am also in fear of my life of a process server connected to Marc Randazza and wish to be served electronically for my protection.
